Forward-Looking Statements

Certain statements contained in this press release constitute forward-looking information. These statements relate to future events or the Company’s future performance, business prospects and opportunities, which are based on assumptions of management.

The use of any of the words “will”, “expected”, “planned” and similar expressions and statements relating to matters that are not historical facts are intended to identify forward-looking information and are based on the Company’s current belief or assumptions as to the outcome and timing of certain future events. Certain information set forth in this news release contains forward-looking statements. These forward-looking statements involve risks and uncertainties relating to, among other things, changes in oil prices, results of exploration and development activities, including results, timing and costs of seismic, drilling and development related activity in the Company’s area of operations, uninsured risks, regulatory changes, defects in title, availability of funds required to participate in the development activities, availability of financing on reasonable terms, availability of materials and equipment on satisfactory terms, outcome of commercial negotiations with government and other regulatory authorities, timeliness of government or other regulatory approvals, actual performance of facilities, availability of third party service providers, equipment and processes relative to specifications and expectations and unanticipated environmental impacts on operations.

The risks outlined above should not be construed as exhaustive. Additional information on these and other factors that could affect the Company's operations and financial results are included in the Company's annual information form for the year ended December 31, 2023, and other reports on file with the Canadian Securities Regulatory Authorities that can be accessed on the Company's profile on SEDAR+. Actual future results may differ materially. The forward-looking information contained in this release is made as of the date hereof, and the Company is not obligated to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable securities laws. Because of the risks, uncertainties and assumptions contained herein, investors should not place undue reliance on forward-looking information. The foregoing statements expressly qualify any forward-looking information.
